

BTS-Glass Bottle Crusher

blue-line

The BTS-Glass Bottle Crusher is ideal for crushing empty glass bottles and glasses in catering business and other bottling companies. It is also used in factories with glass waste issues. You can crush up to 100 glass beer bottles per minute. The glass bottle crusher impresses with its ease of use, safe operation and the spacious filling chamber. By crushing these valuable and recyclable materials you achieve a volume reduction of up to 80%, a significant saving on your disposal costs and you properly return the material back into the recycling cycle.

Machine size: 1850 H x 965 W x 832 D mm
 Machine weight: 315 kg
 Transport height: 1850 mm
 Volume reduction: up to 80 %
 Loading aperture: 481 W x 337 H mm
 Motor: 1.5 kW 13 Amp
 Power supply: 220 - 240 V (1 phase)

- User-friendly, safe and easy to operate
- Reduces the frequency of daily/weekly glass waste collections
- Suitable for up to 240 Ltr. wheelie bins

- Small footprint
- Volume reduction of up to 80% from bottles to cullet
- A quality product "Made in Europe"

Suitable for crushing

- Glass bottles
- Glasses
- Other small glass containers

Optional extras

- Machine colour RAL
- Machine galvanised
